Methodists Expecting Hard Game Saturday

Westminster Makes a Better
Showing against Wash-Jeff
Than Wesleyan Did.

(SPECIAL TO THE TELEGRAM)
BUCKHANNON, Oct. 24.—Expecting that the game would prove a rather easy affair when scheduled along last winter, the contest with Westminster College scheduled for Saturday next now looms up as one of the hardest games on Wesleyan's entire schedule and one that will test to the limit Wesleyan's strength on its own field, a thing that seldom happens.

No very hard games are scheduled at home by Wesleyan for the reason that no strong teams are located near Buckhannon. Westminster from the start was expected to be the best home card, but when it last Saturday played Washington and Jefferson to a 12 to 0 score, or made a showing nine points better than did Wesleyan, Wesleyan's coaches began taking notice and now

Burke's Drug Store.
Dear Sirs:
I have suffered for over a year with kidney trouble and dropsy. My feet and legs were badly swollen at times. I could hardly walk about the house. I tried several doctors but could not get much relief until I started to use Burke's Kidney Pills. The first box helped me so much that I feel like a different man. I can recommend them to every sufferer of kidney trouble or dropsy.

TRIS SPEAKER

Sacrifices \$2,000 to Keep His
Word with Jean Dubuc,
Detroit Pitcher.

DETROIT, Oct. 24.—Tris Speaker
sacrificed \$2,000 in order to keep his
word with Jean Dubuc, the Tiger
pitcher. Several weeks before the
close of the season Tris promised to
go along on a post-season tour. Then
came an offer to report the world's
series for \$1,500 and another offer of
\$300 to play an exhibition game in
Cleveland. He turned them all down
to go barnstorming with Dubuc.

Willard Likely to Refuse Bout With Negro Fighter

Champion Pugilist Says He Will
Not Fight with Col-
ored Man.

CHICAGO, Oct. 24.—Some of the New
York and Boston promoters are talk-
ing about trying to match Jess Wil-
lard with Harry Wills, the big Negro
heavyweight. It is said that Jim
Burkley, the man behind Wills, has
an offer of \$10,000 from a syndicate in
Boston to stage such a match.

Wills may be a great fighter, but it
is a certainty that black and white
contests in the ring are a thing of the
past. Wilard declared some months
ago that as long as he was champion
he would never agree to box a colored

man. When Wilard started out for the
heavyweight championship he declared
that after he had restored the cham-
pionship title to the white race he
would maintain a strict color line.

Jack Curley, who has an interest in
the earnings of Wilard, stated a short
while back that Wilard was getting
ready to box this fall when he ended
his show work. In order to keep up his
price as a circus attraction it becomes
necessary for the heavyweight title
holder to defend his title at least once
during the resting period.

Last year Wilard did this. Even
though it is only a ten round match,
the fact that the champion is out there
before the public helps. Wilard
stepped into the ring with Frank Mor-
an and gave himself publicity.

How To Get Rid of Catarrh, Catarrhal Deafness or Head Noises

If you have catarrh, catarrhal deaf-
ness or head noises caused by catarrh,
or if phlegm drops in your throat and
has caused catarrh of the stomach or
bowels you will be glad to know that
these distressing symptoms can be en-
tirely overcome in many instances by
the following treatment which you can
easily prepare in your own home at lit-
tle cost. Secure from your druggist
1 ounce of Eucalypti (Double Strength).
This will not cost you more than 75c.
Take this home and add to it 1-1/2 pint
of hot water and 4 ounces of granu-
lated sugar; stir until dissolved. Take
one tablespoonful four times a day.
A decided improvement is sometimes
noted after the first day's treatment.
Breathing becomes easy, while the dis-
tressing head noises, headache, dull-
ness cloudy thinking, etc., gradually
disappear under the tonic action of
the treatment. Loss of smell, taste,
defective hearing and mucus dropping
in the back of the throat are other
symptoms which suggest the presence
of catarrh and which are often over-
come by this efficacious treatment.
Nearly ninety per cent of all ear trou-
bles are said to be directly caused by
catarrh, therefore, there must be many
people whose hearing can be restored
by this simple home treatment.—Ad-
vertisement.

will be taken to Omaha, Neb., to
stand trial on the charge of using the
mails to defraud. An order for his
removal was entered today by Judge
Alston G. Dayton of the United
States district court for the Northern
district of West Virginia.

CHARLESTON: County and spe-
